2024 SEASON SPONSORSHIPS

Bright Star

Inspired by a true story and featuring the Tony®-nominated score by Steve Martin and Edie Brickell, Broadway's BRIGHT STAR tells a sweeping tale of love and redemption set against the rich backdrop of the American South in the 1920s and '40s. When literary editor Alice Murphy meets a young soldier just home from World War II, he awakens her longing for the child she once lost. Haunted by their unique connection, Alice sets out on a journey to understand her past—and what she finds has the power to transform both of their lives.

Beauty and the Beast

The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed into his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.

The Sound of Music

The final collaboration between Rodgers & Hammerstein was destined to become the world's most beloved musical. The inspirational story, based on the memoir of Maria Augusta Trapp, follows an ebullient postulate who serves as governess to the seven children of the imperious Captain von Trapp, bringing music and joy to the household. But as the forces of Nazism take hold of Austria, Maria and the entire von Trapp family must make a moral decision.
